Street Performances — An Invitation to Wonder

Immerse yourself in our street performances, whether stationary or roaming, and let yourself be carried away into wonderful worlds where fantasy, burlesque and enchantment meet.

Each creation comes to life through our living machines, true works of art in motion, which become the beating heart of the performance.

Depending on the theme, our shows are enriched by the presence of circus performers: stilt walkers, acrobats, dancers, jugglers, fire breathers...

As well as singers, musicians and actors, who give each performance its own soul and voice.

Our original street art creations offer audiences immersive experiences, filled with emotion, and unique journeys into the collective imagination.

An Adaptable Creation

This performance can be adapted and tailored to suit your needs and chosen theme.
